DENTAL HEALTH QUESTIONNAIRE

*We believe that each patient deserves to know what their current level of dental health is, how they got there, and what treatment options are available to help them reach the level of health that they deserve. This begins with a careful diagnosis and personalized treatment plan.

*We will perform a comprehensive oral examination of your teeth, gums, jaw joints, bite and soft tissues. We will also take the appropriate x-rays, and when beneficial we may take additional diagnostic records such as photographs or casts of your teeth to further evaluate areas of concern. Once all your records have been completed they will be carefully evaluated to determine your current level of dental health and how you got there.

*We will review our findings with you and discuss your treatment options. A personalized treatment plan will then be developed to help you achieve the goals we set together. Please help us better understand your dental health needs and goals by answering the following questions. (Check the best answer):

1. Have you had a full mouth set of x-rays (other than routine cavity detecting x-rays) within the last 3 years?

APPOINTMENTS

We value your time so you can expect us to see you at the appointed time and to keep your time spent in our office as short as possible. In return, when you make an appointment with us please be on time or slightly early because each appointment is time reserved just for you. Please make every effort not to change your scheduled appointment. If you must change your appointment, please provide us at least **2 working days advanced notification** so that we may use our time to accommodate other patients. Missed appointments are subject to a charge of a minimum of \$110.00.

FINANCIAL POLICY

Unless other financial option is PRE-ARRANGED, payment is due in full the day of treatment. If we are submitting claims to insurance, the ESTIMATED portion and the deductible will be the amount due. After insurance pays their portion, if there is still any amount owed, that is then the patient's responsibility and a billing statement will be mailed to the patient. To avoid confusion, statements are not sent until ALL insurance payments are received. For patients that have insurance plans that pay the insured patient directly, the full amount will be due to us at time of service.

Payment options:

1. For your convenience we accept Cash, Check, Visa, Mastercard, Amex and Discover
2. Care Credit is a payment option that we also accept – please ask if you are interested in this option

For Patients with Dental Insurance

Dental insurance plans often pay less than the actual fee for service, therefore the patient or guarantor is the responsible party for all dental services provided. Dental insurance in most cases is a benefit with limitations and should not be expected to take care of all costs. Your dental benefits and how they relate to your specific needs is your responsibility to know and is a contract between you and your insurance company. We bill your insurance directly as a courtesy.

Finance Charges and Fees

*Balances in excess of 60 days are subject to a finance charge of 1.5% per month (18% Annual)

*Returned checks are subject to a \$30 accounting fee.
